A young girl with dark hair, wearing a purple and pink striped shirt, is looking intently at a glowing blue robot toy. The robot is a small, round, blue device with a bright blue light emanating from its front. Another similar robot is visible in the background. The scene is set indoors, with a wooden table and a pink sweater visible in the background.

A photograph of two young boys sitting at a white table, engaged in a hands-on activity. They are using numerous wooden clothespins to build a tall, somewhat unstable tower. The boy on the left, wearing a red t-shirt, is looking down at the structure. The boy on the right, wearing a dark blue t-shirt, has his hands on his head, possibly in concentration or frustration. In the background, another child is partially visible, also working with clothespins. The setting appears to be a classroom or a workshop with orange walls and a wooden chair.

pasta modellabile

A photograph showing two children sitting at a light blue table. They are working with large, tangled balls of bright yellow wool. One child, wearing a pink long-sleeved shirt, is on the right side of the frame, and another child, wearing a white long-sleeved shirt, is on the left. A long, thin, wavy strip of brown paper is laid out on the table to the right of the wool. The wool is being used to create a craft, possibly a snake or a similar animal, as suggested by the brown paper strip. The background is a wooden floor.
